2. Purchase, Sale and Delivery of Shares.

(a) On the basis of the representations, warranties and covenants herein contained, and subject to the conditions herein set forth, the Selling Shareholders severally agree to sell to the Underwriters, and the Underwriters agree, severally and not jointly, to purchase from the Selling Shareholders, at a price of \$9.4435 per share (the "**Purchase Price**"), the respective number of Firm Shares set forth opposite the names of the Underwriters in Schedule I hereto.

(b) Payment for the Firm Shares to be sold hereunder is to be made in Federal (same day) funds to an account designated by the Selling Shareholders for the shares to be sold by the Selling Shareholders against delivery of certificates therefor to the Underwriters. Such payment and delivery are to be made through the facilities of The Depository Trust Company at 10:00 a.m., New York time, on the third business day after the date of this Agreement or at such other time and date not later than five business days thereafter as the Underwriters and the Selling Shareholders shall agree upon, such time and date being herein referred to as the "**Closing Date**." (As used herein, "**business day**" means a day on which each of the NASDAQ Capital Market is open for trading and on which banks in New York are open for business and not permitted by law or executive order to be closed.)

(c) For the purpose of covering any over-allotments in connection with the distribution and sale of the Firm Shares as contemplated by the Prospectus, the Underwriters may purchase all or less than all of the Option Shares. The price per share to be paid for the Option Shares shall be the Purchase Price. ThaiLin agrees to sell to the Underwriters the number of Option Shares specified in the written notice delivered by the Underwriters to ThaiLin described below and the Underwriters agree, severally and not jointly, to purchase such Option Shares. Such Option Shares shall be purchased from ThaiLin for the account of each Underwriter in the same proportion as the number of Firm Shares set forth opposite such Underwriter's name on Schedule I bears to the total number of Firm Shares. The option granted hereby may be exercised by written notice as to all or any part of the Option Shares at any time, and from time to time, not more than thirty (30) days subsequent to the date of this Agreement. No Option Shares shall be sold and delivered unless the Firm Shares previously have been, or simultaneously are, sold and delivered. The right to purchase the Option Shares or any portion thereof may be surrendered and terminated at any time upon notice by the Underwriters to ThaiLin.

(d) The option granted hereby may be exercised by written notice being given to ThaiLin by the Underwriters setting forth the number of Option Shares to be purchased by the Underwriters and the date and time for delivery of and payment for the Option Shares. Each date and time for delivery of and payment for the Option Shares (which may be the Closing Date, but not earlier) is herein called the “**Option Closing Date**” and, with respect to any Option Shares delivered pursuant to a written notice given after the Closing Date, shall in no event be earlier than three (3) business days nor later than five (5) business days after such written notice is given.

(e) Payment for the Option Shares to be sold hereunder is to be made in Federal (same day) funds to an account designated by ThaiLin for the shares to be sold by ThaiLin against delivery of certificates therefor to the Underwriters. Such payment and delivery are to be made through the facilities of The Depository Trust Company at 10:00 a.m., New York time, on the Option Closing Date.

3. Offering by the Several Underwriters.

It is understood that the Underwriters are to make a public offering of the Shares as soon as they deem it advisable to do so. The Shares are to be initially offered to the public at the initial public offering price set forth in the Registration Statement, General Disclosure Package, and the Prospectus. The Underwriters may from time to time thereafter change the public offering price and other selling terms.

4. Covenants of the Company and the Selling Shareholders.

(a) The Company covenants and agrees with the Underwriters that:

(i) The Company will (A) prepare the Rule 462(b) Registration Statement, if necessary, in a form approved by the Underwriters and file such Rule 462(b) Registration Statement with the Commission by 10:00 P.M., New York time, on the date hereof, and the Company shall at the time of filing either pay to the Commission the filing fee for the Rule 462(b) Registration Statement or give irrevocable instructions for the payment of such fee pursuant to Rule 111(b) under the Rules and Regulations, (B) prepare and timely file with the Commission under Rule 424(b) (without reliance on Rule 424(b)(8)) under the Act a Prospectus in a form approved by the Underwriters containing information previously omitted at the time of effectiveness of the Registration Statement in reliance on Rules 430A, 430B or 430C under the Act, (C) not file any amendment to the Registration Statement or distribute an amendment or supplement to the General Disclosure Package or the Prospectus or document incorporated by reference therein of which the Underwriters shall not previously have been advised and furnished with a copy or to which the Underwriters shall have reasonably objected in writing or which is not in compliance with the Rules and Regulations and (D) file on a timely basis all reports required to be filed by the Company with the Commission pursuant to the Exchange Act subsequent to the date of the Prospectus and prior to the termination of the offering of the Shares by the Underwriters.

(ii) The Company will advise the Underwriters promptly (A) when any post-effective amendment to the Registration Statement or new registration statement relating to the Shares shall have become effective, or any supplement to the Prospectus shall have been filed, (B) of the receipt of any comments from the Commission, (C) of any request of the Commission for amendment of the Registration Statement or the filing of a new registration statement or any amendment or supplement to the General Disclosure Package or the Prospectus or any document incorporated by reference therein or otherwise deemed to be a part thereof or for any additional information, and (D) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or such new registration statement or any order preventing or suspending the use of any Preliminary Prospectus, any Issuer Free Writing Prospectus or the Prospectus, or of the institution of any proceedings for that purpose or pursuant to Section 8A of the Act.

(iii) For a period of 60 days from the date of the Prospectus, not to, directly or indirectly, (1) offer for sale, sell, pledge or otherwise dispose of (or enter into any transaction or device which is designed to, or could be expected to, result in the disposition by any person at any time in the future of) any Common Shares or securities convertible into or exchangeable for Common Shares (other than the Shares and (a) shares issued pursuant to employee benefit plans, qualified shares option plans or other employee compensation plans existing on the date hereof, (b) shares issued upon conversion of outstanding debt securities existing on the date hereof, (c) shares issued upon exercise of outstanding options, warrants or rights existing on the date hereof and (d) shares issued pursuant to any technology license agreement, strategic alliance or joint venture existing on the date hereof), or sell or grant options, rights or warrants with respect to any Common Shares or securities convertible into or exchangeable for Common Shares (other than the grant of options pursuant to option plans existing on the date hereof), or (2) enter into any swap or other derivatives transaction that transfers to another, in whole or in part, any of the economic benefits or risks of ownership of such Common Shares, whether any such transaction described in clause (1) or (2) above is to be settled by delivery of Common Shares or other securities, in cash or otherwise, in each case without the prior written consent of the Underwriters. Notwithstanding the foregoing, if (1) during the last 17 days of the 60 restricted period, the Company issues an earnings release or material news or a material event relating to the Company occurs; or (2) prior to the expiration of the 60 restricted period, the Company announces that it will release earnings results during the 16-day period following the last day of the 60 restricted period, then in each case the restrictions imposed by this Agreement shall continue to apply until the expiration of the 18-day period beginning on the date of the release of the earnings results or the occurrence of material news or a material event relating to the Company, as the case may be, unless the Underwriters waive, in writing, such extension. The Company will cause each person listed in Exhibit B hereto to furnish to the Underwriters, prior to the Closing Date, a letter, substantially in the form of Exhibit A hereto.

(iv) The Company will cooperate with the Underwriters in endeavoring to qualify the Shares for sale under the securities laws of such jurisdictions as the Underwriters may reasonably have designated in writing and will make such applications, file such documents, and furnish such information as may be reasonably required for that purpose, provided the Company shall not be required to qualify as a foreign corporation or to file a general consent to service of process in any jurisdiction where it is not now so qualified or required to file such a consent. The Company will, from time to time, prepare and file such statements, reports, and other documents, as are or may be required to continue such qualifications in effect for so long a period as the Underwriters may reasonably request for distribution of the Shares.

(v) The Company will deliver to, or upon the order of, the Underwriters, from time to time, as many copies of any Preliminary Prospectus or any Issuer Free Writing Prospectus as it may reasonably request. The Company will deliver to, or upon the order of the Underwriters, during the period when delivery of a Prospectus (or, in lieu thereof, the notice referred to under Rule 173(a) under the Act) (the "**Prospectus Delivery Period**") is required under the Act, as many copies of the Prospectus in final form, or as thereafter amended or supplemented, as the Underwriters may reasonably request. The Company will deliver to the Underwriters at or before the Closing Date, four signed (facsimiles versions) copies of the Registration Statement and all amendments thereto including all exhibits filed therewith, and will deliver to the Underwriters such number of copies of the Registration Statement (including such number of copies of the exhibits filed therewith that may reasonably be requested), including documents incorporated by reference therein, and of all amendments thereto, as the Underwriters may reasonably request.

(vi) The Company will comply with the Act and the Rules and Regulations, and the Exchange Act, and the rules and regulations of the Commission thereunder, so as to permit the completion of the distribution of the Shares as contemplated in this Agreement and the Prospectus. If during the period in which a prospectus (or, in lieu thereof, the notice referred to under the Registration Statement, the General Disclosure Package and the Rule 173(a) under the Act) is required by law to be delivered by the Underwriters or a dealer, any event shall occur as a result of which, in the judgment of the Company or in the reasonable opinion of the Underwriters, it becomes necessary to amend or supplement the Prospectus in order to make the statements therein, in the light of the circumstances existing at the time the Prospectus is delivered to a purchaser, not misleading, or, if it is necessary at any time to amend or supplement the Prospectus to comply with any law, the Company promptly will either (i) prepare and file with the Commission an appropriate amendment to the Registration Statement or supplement to the Prospectus or (ii) prepare and file with the Commission an appropriate filing or submission under the Exchange Act which shall be incorporated by reference in the Prospectus so that the Prospectus as so amended or supplemented will not, in the light of the circumstances when it is so delivered, be misleading, or so that the Prospectus will comply with the law.

(vii) If the General Disclosure Package is being used to solicit offers to buy the Shares at a time when the Prospectus is not yet available to prospective purchasers and any event shall occur as a result of which, in the judgment of the Company or in the reasonable opinion of the Underwriters, it becomes necessary to amend or supplement the General Disclosure Package in order to make the statements therein, in the light of the circumstances, not misleading, or to make the statements therein not conflict with the information contained in the Registration Statement then on file, or if it is necessary at any time to amend or supplement the General Disclosure Package to comply with any law, the Company promptly will either (i) prepare, file with the Commission (if required) and furnish to the Underwriters and any dealers an appropriate amendment or supplement to the General Disclosure Package or (ii) prepare and file with the Commission an appropriate filing or submission under the Exchange Act which shall be incorporated by reference in the General Disclosure Package so that the General Disclosure Package as so amended or supplemented will not, in the light of the circumstances, be misleading or conflict with the Registration Statement then on file, or so that the General Disclosure Package will comply with law.

(viii) The Company will make generally available to its security holders and deliver to the Underwriters as soon as it is practicable to do so, but in any event not later than 12 months after the effective date of the Registration Statement (as defined in Rule 158(c) under the Act), an earnings statement (which need not be audited) in reasonable detail, complying with the requirements of Section 11(a) of the Act and the Rule 158 under the Act and will advise the Underwriters in writing when such statement has been so made available.

(ix) Prior to the Closing Date, the Company will furnish to the Underwriters, as soon as it has been prepared by or is available to the Company, a copy of any unaudited interim financial statements of the Company for any period subsequent to the period covered by the most recent financial statements appearing in the Registration Statement and the Prospectus.

(x) The Company will use its reasonable efforts to maintain the listing of the Shares on the NASDAQ Capital Market.

(xi) In any suit in a court of competent jurisdiction (whether in the United States or any other jurisdiction) seeking enforcement of this Agreement or provisions of this Agreement, (i) if the plaintiffs therein seek a judgment in United States dollars, the Company will not interpose any defense or objection to or otherwise oppose judgment, if any, being awarded in such currency, and (ii) if the plaintiffs therein seek to have any judgment (or any aspect thereof) awarded in foreign currency linked, for the period from entry of such judgment until actual payment thereof in full has been made, to the changes in the foreign currency-United States dollar exchange rate, the Company will not interpose any defense or objection to or otherwise oppose inclusion of such linkage in any such judgment (except to comply with any applicable law); and the Company agrees that it will not initiate or seek to initiate any action, suit or proceeding, in Bermuda or in any other jurisdiction other than the United States, seeking damages or for the purpose of obtaining any injunction or declaratory judgment against the enforcement of, or a declaratory judgment concerning any alleged breach by the Company of or other claim by the Underwriters in respect of, this Agreement or any of the Underwriters' rights under this Agreement, including without limitation any action, suit or proceeding challenging the enforceability of or seeking to invalidate in any respect the submission by the Company hereunder to the jurisdiction of federal or New York state courts or the designation of the laws of the State of New York as the law applicable to this Agreement.

(xii) If any payment of any sum due under this Agreement from the Company is made to or received by any of the Underwriters or any controlling person of any of the Underwriters in a currency other than freely transferable United States dollars, whether by judicial judgment or otherwise, the obligations of the Company under this Agreement shall be discharged only to the extent of the net amount of freely transferable United States dollars that the Underwriters or such controlling persons, as the case may be, in accordance with normal bank procedures, are able to lawfully purchase with such amount of such other currency on the business day immediately following the day on which such party receives such payment; and to the extent that the Underwriters or such controlling persons are not able to purchase sufficient United States dollars with such amount of such other currency to discharge the obligations of the Company to the Underwriters or such controlling persons, as the case may be, the Company shall not be discharged with respect to such difference, and any such undischarged amount will be due as a separate obligation and shall not be affected by payment of or judgment being obtained for any other sums due under or in respect of this Agreement.

(b) Each Selling Shareholder covenants and agrees with the Underwriters that:

(i) No offering, sale, short sale or other disposition of any Common Shares or other capital stock of the Company or other securities convertible, exchangeable or exercisable for Common Shares or derivative of Common Shares owned by such Selling Shareholder or request the registration for the offer or sale of any of the foregoing (or as to which such Selling Shareholder has the right to direct the disposition of) will be made for a period of 60 days after the date of this Agreement, directly or indirectly, by such Selling Shareholder otherwise than hereunder or with the prior written consent of the Underwriters. Notwithstanding the foregoing, if (1) during the last 17 days of the 60 restricted period, the Company issues an earnings release or material news or a material event relating to the Company occurs; or (2) prior to the expiration of the 60 restricted period, the Company announces that it will release earnings results during the 16-day period following the last day of the 60 restricted period, then in each case the restrictions imposed by this Agreement shall continue to apply until the expiration of the 18-day period beginning on the date of the release of the earnings results or the occurrence of material news or a material event relating to the Company, as the case may be, unless the Underwriters waive, in writing, such extension.

(ii) In order to document the Underwriters' compliance with the reporting and withholding provisions of the Tax Equity and Fiscal Responsibility Act of 1982 and the Interest and Dividend Tax Compliance Act of 1983 with respect to the transactions herein contemplated, such Selling Shareholder agrees to deliver to the Underwriters prior to or at the Closing Date a properly completed and executed United States Treasury Department Form W-8 or W-9 (or other applicable form or statement specified by Treasury Department regulations in lieu thereof).

(iii) Such Selling Shareholder will not take, directly or indirectly, any action designed to cause or result in, or that has constituted or would reasonably be expected to constitute, the stabilization or manipulation of the price of any securities of the Company.

(iv) Such Selling Shareholder agrees that it will not prepare or have prepared on its behalf or use or refer to, any “free writing prospectus” (as defined in Rule 405 under the Act), and agrees that it will not distribute any written materials in connection with the offer or sale of the Shares.

(v) During the Prospectus Delivery Period, such Selling Shareholder will advise the Underwriters promptly, and will confirm such advice in writing to the Underwriters, of any change in the information relating to such Selling Shareholder in the Registration Statement, the Prospectus or any document comprising the General Disclosure Package.

5. Free Writing Prospectuses.

Each of the Company, the Selling Shareholders and the Underwriters represents and agrees that, unless it obtains the prior consent of the other parties, it has not made and will not make any offer relating to the Shares that would constitute an Issuer Free Writing Prospectus, or that would otherwise constitute a “free writing prospectus”, as defined in Rule 405 under the Act. Any such free writing prospectus consented to pursuant to the preceding sentence is hereinafter referred to as a “**Permitted Free Writing Prospectus**”. The Company represents that it has treated and agrees that it will treat each Permitted Free Writing Prospectus as an “issuer free writing prospectus”, as defined under Rule 433 under the Act, and has complied with the requirements of Rules 164 and 433 applicable to any Permitted Free Writing Prospectus, including timely Commission filing where required, legending and record keeping. The Underwriters covenant to the Company not to take any action that would result in the Company being required to file with the Commission under Rule 433(d) a free writing prospectus prepared by or on behalf of the Underwriters that otherwise would not be required to be filed by the Company thereunder, but for the actions of the Underwriters.

6. Costs and Expenses.

(a) Except as otherwise provided herein, the Company shall pay all costs, expenses and fees incident to the performance of its obligations under this Agreement including, without limiting the generality of the foregoing, the following: accounting fees of the Company; the fees and disbursements of counsel for the Company; the cost of printing and delivering to, or as requested by, the Underwriters copies of the Registration Statement, Preliminary Prospectuses, the Issuer Free Writing Prospectuses, the Prospectus, this Agreement, the Listing Application with the NASDAQ Capital Market, the Blue Sky Survey and any supplements or amendments thereto; the filing fees of the Commission; the filing fees and expenses (including legal fees and disbursements) incident to securing any required review by FINRA of the terms of the sale of the Shares; the Listing Fee of the NASDAQ Capital Market; the costs and expenses (including without limitation any damages or other amounts payable in connection with legal or contractual liability) associated with the reforming of any contracts for sale of the Shares made by the Underwriters caused by a breach of the representation in Section 1(a)(ii); and the expenses (including legal fees and disbursements) incurred in connection with the qualification of the Shares under State securities or Blue Sky laws.

(iv) The Registration Statement and the Prospectus, as of their respective effective or issue dates (other than the financial statements and related notes and schedules and other financial, accounting, and statistical information included therein or omitted therefrom, as to which we express no opinion), complied as to form in all material respects with the requirements of the Act and the regulations under the Act; and

(v) No authorization, approval or consent of any U.S. federal or New York state court or governmental authority or agency is required in connection with the transactions contemplated by this Agreement, except such as have been obtained under the Act and such as may be required under foreign, state securities or blue sky laws in connection with the sale and delivery of the Shares to the Underwriters (as to which such counsel expresses no opinion).

On the basis of its review of the Registration Statement, the General Disclosure Package and the Prospectus and its participation in their preparation, nothing has come to such counsel’s attention that causes it to believe that the Registration Statement, at the time it became effective, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading, the General Disclosure Package, at the Applicable Time, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, or that the Prospectus or any amendment or supplement thereto, at the time the Prospectus was issued, at the time any such amendment or supplement was issued or at the Closing Date and Option Closing Date, as the case may be, included or includes an untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. Such counsel shall express no opinion with respect to, and this paragraph does not address, (i) the financial statements and related notes and schedules, and other financial, accounting, and statistical information, included in, incorporated by reference in, or omitted from the Registration Statement, the General Disclosure Package, the Prospectus, or any further amendment or supplement to either of them, or (ii) the materiality of any information included in the Registration Statement, the General Disclosure Package of the Prospectus that relates to the public offering price, the underwriting syndicate (including any material relationships between the registrant and underwriters named therein), underwriting discounts or commissions, discounts or commissions to dealers, amounts of proceeds, delivery dates, and terms of the Shares dependent upon the offering date.

(2) with the Underwriters' approval, such counsel has relied as to certain matters on information obtained from public officials, officers of the Company, the Selling Shareholders and other sources believed by such counsel to be responsible, and such counsel has assumed that: (A) this Agreement has been duly authorized by the Company, (B) the Shares have been duly authorized by the Company, (C) insofar as the laws of the Bermuda are concerned, this Agreement have been duly executed and delivered by the Company as applicable, and (D) the signatures on all documents examined by such counsel are genuine, assumptions which such counsel has not independently verified;

(3) such counsel is not opining as to factual matters, and such counsel may state that the character of determinations involved in the registration process is such that such counsel is not passing upon and do not assume any responsibility for the accuracy, completeness or fairness of the information included in the Registration Statement and the Prospectus, and such counsel assumes the correctness and completeness of the information included in the Registration Statement and the Prospectus, and it has made no independent investigation or verification of that information;

(4) such opinion is furnished by such counsel as special United States counsel for the Company and the Selling Shareholders solely to the Underwriters and solely for the benefit of the Underwriters in their capacity as underwriters in connection with the public offer and sale of the Shares and, without such counsel's specific prior written consent, (i) may not be relied upon in any other connection, (ii) may not be furnished to or relied upon by any other person for any other purposes, and (iii) may not be quoted, referred to or furnished to any purchaser or prospective purchaser of the Shares and may not be used in furtherance of any offer or sale of the Shares; and

(5) such counsel has reviewed the Registration Statement, the General Disclosure Package and the Prospectus, participated in discussions with the Underwriters' representatives, those of the Underwriters' United States counsel, those of the Selling Shareholders and their United States and ROC counsel, and those of the Company, its ROC, Bermuda, and BVI counsel and its accountants, and between the date of the most recent prospectus supplement and the time of the delivery of the letter, such counsel participated in further discussions with the Underwriters' representatives, those of the Underwriters' United States counsel, those of the Selling Shareholders and their United States and ROC counsel and those of the Company, its ROC, Bermuda, and BVI counsel and its accountants regarding the contents of certain portions of the Prospectus and related matters, and such counsel reviewed certificates of certain officers of the Company and the Selling Shareholders, opinions addressed to the Underwriters from ROC, Bermuda, and BVI counsel for the Company regarding certain portions of the Prospectus and related matters, opinions addressed to the Underwriters from its United States counsel and letters addressed to the Underwriters from the Company's independent accountants.

(c) Intentionally omitted.

(d) Appleby, as Bermuda counsel to the Company, shall have furnished to the Underwriters their written opinion, addressed to the Underwriters and dated the Delivery Date, in form and substance reasonably satisfactory to the Underwriters, to the effect that:

(i) The Company is an exempted company duly incorporated with limited liability and is validly existing under the laws of Bermuda under the Companies Act 1981 of Bermuda (as amended), with power and authority to carry on the business of an investment holding company.

(ii) The Company possesses the capacity to sue and be sued in its own name.

(iii) The Company has an authorised share capital as set forth in the Registration Statement, the General Disclosure Package and the Prospectus.

(vii) The statements contained in the Prospectus under the captions “Description of Share Capital” and “Enforceability of Civil Liabilities” insofar as they describe Bermuda laws, statutes, rules and regulations, constitute a fair summary thereof and the opinion of such counsel filed as Exhibit 5.1 to the Registration Statement is confirmed as at the date of its issue and the Underwriters may rely upon such opinion as if it were addressed to them.

(viii) The Company has all requisite corporate power and authority to enter into, this Agreement under the laws of Bermuda, and this Agreement has been duly authorized, executed and delivered by the Company. All corporate action required by the laws of Bermuda and the Bye-Laws to be taken by the Company for the offering, sale and delivery of the Shares by the Selling Shareholders has been validly and sufficiently taken.

(ix) Insofar as matters of Bermuda law are concerned, the filing of the Registration Statement and the Prospectus with the Commission has been duly authorised by and on behalf of the Company and the Registration Statement has been duly executed pursuant to such authorisations in accordance with the laws of Bermuda.

(x) The execution, delivery and performance by the Company of this Agreement and the transactions contemplated thereby have been duly authorised by all necessary corporate action on the part of the Company.

(xi) This Agreement has been duly executed by the Company and constitutes legal, valid and binding obligations of the Company, enforceable against the Company in accordance with its terms.

(xii) No consent, approval, licence, authorisation or order of, or filing or registration with, any governmental agency, body authority or court of Bermuda is required to be obtained by the Company in connection with the execution, delivery or performance by the Company of this Agreement.

(xiii) No consents, authorizations, approvals, orders, certificates or permits of and from, and no declarations and filings with, any local or other governmental authorities in Bermuda or any courts and other tribunals in Bermuda are required for the Company to own, lease, license and use its properties and assets and to conduct the business of an investment holding company.

(xv) All dividends and other distributions declared and payable on the Common Shares of the Company (“**Distributions**”) may under the current laws and regulations of Bermuda be paid in U.S. dollars or any other non-Bermudian currency that may be freely transferred out of Bermuda, and Distributions will not be subject to withholding or other taxes under the laws and regulations of Bermuda and are otherwise payable free and clear of any other tax, withholding or deduction in Bermuda and without the necessity of obtaining any governmental authorizations in Bermuda.

(xvi) The statements in the Registration Statement, the General Disclosure Package and the Prospectus specifically and expressly referring to the Company’s Bye-Laws or resolutions of the shareholders and board of directors of the Company which are governed by the laws of Bermuda, are accurate and adequate in all material respects insofar as such statements refer to statements of the laws of Bermuda.

(xvii) The execution, delivery and performance by the Company of all of the provisions of this Agreement and the transactions contemplated thereby, do not and will not violate, conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under (i) any requirement of any law or any regulation of Bermuda or (ii) the Memorandum of Association and Bye-Laws of the Company.

(xviii) The choice of the laws of the State of New York as the proper law to govern this Agreement is a valid choice of law under Bermuda law and such choice of law would be recognised, upheld and applied by the courts of Bermuda as the proper law of this Agreement in proceedings brought before them in relation to this Agreement, provided that (i) the point is specifically pleaded; (ii) such choice of law is valid and binding under the laws of the State of New York; and (iii) recognition would not be contrary to public policy as that term is understood under Bermuda law.

(xix) The submission by the Company to the jurisdiction of the Specified Courts pursuant to this Agreement, including the waiver by the Company of any objection to the venue of a proceeding of such courts, is not contrary to Bermuda law and would be recognised by the courts of Bermuda as a legal, valid and binding submission to the jurisdiction of the Specified Courts, if such submission is accepted by such court and is legal, valid and binding under the laws of the State of New York.

(xx) A final and conclusive judgment of a competent foreign court against the Company based upon this Agreement (other than a court of jurisdiction to which The Judgments (Reciprocal Enforcement) Act 1958 applies, and it does not apply to the Specified Courts) under which a sum of money is payable (not being a sum payable in respect of taxes or other charges of a like nature, in respect of a fine or other penalty, or in respect of multiple damages as defined in The Protection of Trading Interests Act 1981) may be the subject of enforcement proceedings in the Supreme Court of Bermuda under the common law doctrine of obligation by action on the debt evidenced by the judgment of such competent foreign court. A final opinion as to the availability of this remedy should be sought when the facts surrounding the foreign court’s judgment are known, but, on general principles, we would expect such proceedings to be successful provided that: (i) the court which gave the judgment was competent to hear the action in accordance with private international law principles as applied in Bermuda; and (ii) the judgment is not contrary to public policy in Bermuda, has not been obtained by fraud or in proceedings contrary to natural justice and is not based on an error in Bermuda law.

Enforcement of such a judgment against assets in Bermuda may involve the conversion of the judgment debt into Bermuda dollars, but the Bermuda Monetary Authority has indicated that its present policy is to give the consents necessary to enable recovery in the currency of the obligation. No stamp duty or similar or other tax or duty is payable in Bermuda on the enforcement of a foreign judgment. Court fees will be payable in connection with proceedings for enforcement.

(xxi) The appointment by the Company of CT Corporation System as agent for the receipt of any service of process in respect of the New York courts in connection with any matter arising out of or in connection with this Agreement is a valid and effective appointment, if such appointment is valid and binding under the laws of the State of New York and if no other procedural requirements are necessary in order to validate such appointment. If the appointment is valid and effective under the laws of the State of New York, service of proceedings relating to this Agreement in the manner set forth therein will be effective service upon the Company for the purposes of Bermuda law.

(xxii) Subject to paragraph (xix), this Agreement is in proper legal form under the laws of Bermuda for the enforcement thereof. Based solely on review of the Register of Members of the Company, the Shares to be transferred to and delivered pursuant to this Agreement have been duly and validly issued under the laws of Bermuda and are fully paid and non-assessable. To ensure the legality, validity, enforceability and admissibility into evidence in Bermuda of this Agreement, it is not necessary that this Agreement be filed or recorded with any court or other authority in Bermuda.

(xxiii) Neither the Company nor any of its assets or property enjoys, under Bermuda law, immunity on the grounds of sovereignty from any legal or other proceedings whatsoever or from enforcement, execution or attachment in respect of its obligations under this Agreement.

(xxiv) Based solely upon the public company search and litigation search of the Company: (i) no litigation, administrative or other proceeding of or before any governmental authority of Bermuda is pending against the Company; and (ii) no notice to the Registrar of Companies in Bermuda of the passing of a resolution of members or creditors to wind up or the appointment of a liquidator or receiver has been given. No petition to wind up the Company or application to reorganise its affairs pursuant to a scheme of arrangement or application for the appointment of a receiver has been filed with the Supreme Court in Bermuda.

In rendering such opinion, such counsel may state that its opinion is limited to matters governed by the laws of Bermuda. The opinion may also be qualified by a statement to the effect that such counsel does not assume any responsibility for the accuracy, completeness or fairness of the statements contained in the Registration Statement, the General Disclosure Package or the Prospectus (other than as set forth in clauses (iii) and (vi) above). The opinion may be subject to customary qualifications and assumptions for such opinions.

In rendering such opinions, such counsel may state that their opinion is limited to matters governed by the laws of the BVI. The opinion may be subject to customary qualifications and assumptions for such opinions.

(i) The Underwriters shall have received from Goodwin Procter LLP, its U.S. counsel, such opinion or opinions, dated the Delivery Date, with respect to such matters as the Underwriters may reasonably require, and the Company shall have furnished to such counsel such documents as they reasonably request for the purpose of enabling them to pass upon such matters.

(l) With respect to the letter of Moore Stephens HK referred to in the preceding paragraph and delivered to the Underwriters concurrently with the execution of this Agreement (the "initial letters"), the Company shall have cause Moore Stephens HK to furnish to the Underwriters a letter (the "bring-down letter") of such accountants, addressed to the Underwriters and dated the Delivery Date (i) confirming that they are independent public accountants within the meaning of the Act and are in compliance with the applicable requirements relating to the qualification of accountants under Rule 2-01 of Regulation S-X of the Commission, (ii) stating, as of the date of the bring-down letter (or, with respect to matters involving changes or developments since the respective dates as of which specified financial information is given in the Registration Statement, the General Disclosure Package and the Prospectus, as of a date not more than five days prior to the date of the bring-down letter), the conclusions and findings of such firm with respect to the financial information and other matters covered by the initial letters and (iii) confirming in all material respects the conclusions and findings set forth in the initial letter.

(m) The Company shall have furnished to the Underwriters a certificate, dated the Delivery Date, of its chief executive officer and its chief financial officer stating that:

(i) The representations, warranties and agreements of the Company in Section 1 are true and correct in all material respects as of the Delivery Date; the Company has complied in all material respects with all its agreements contained herein; and the conditions set forth in Sections 7(a) and 7(n) have been fulfilled.

(iii) The Registration Statement has become effective under the Act and no stop order suspending the effectiveness of the Registration Statement or no order preventing or suspending the use of any Preliminary Prospectus, any Issuer Free Writing Prospectus or the Prospectus has been issued, and no proceedings for such purpose or pursuant to Section 8A of the Act have been taken or are, to his or her knowledge, contemplated or threatened by the Commission.

(iv) They have carefully examined the General Disclosure Package and any individual Limited Use Free Writing Prospectus and, in his or her opinion, as of the Applicable Time, the statements contained in the General Disclosure Package and any individual Limited Use Free Writing Prospectus did not contain any untrue statement of a material fact, and such General Disclosure Package and any individual Limited Use Free Writing Prospectus, when considered together with the General Disclosure Package, did not omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(n) (A) Neither the Company nor any of its subsidiaries shall have sustained since the date of the latest audited financial statements included in the Prospectus any loss or interference with its business from fire, explosion, flood or other calamity, whether or not covered by insurance, or from any labor dispute or court or governmental action, order or decree, otherwise than as set forth or contemplated in the Registration Statement, the General Disclosure Package and the Prospectus and (B) since such date there shall not have been any change in the capital shares or long-term debt of the Company or any of its subsidiaries or any change, or any development involving a prospective change, in or affecting the general affairs, management, financial position, shareholders' equity or results of operations of the Company and its subsidiaries, otherwise than as set forth or contemplated in the Registration Statement, the General Disclosure Package and the Prospectus, the effect of which, in any such case described in clause (A) or (B), is, in the judgment of the Underwriters, so material and adverse as to make it impracticable or inadvisable to proceed with the public offering or the delivery of the Shares being delivered on the Delivery Date on the terms and in the manner contemplated in the Prospectus.

(o) Subsequent to the execution and delivery of this Agreement there shall not have occurred any of the following: (i) trading in securities generally on the NASDAQ Capital Market, or trading in any common shares of the Company on any exchange, shall have been suspended or the settlement of such trading generally shall have been materially disrupted or minimum prices shall have been established on any such exchange or such market by the Commission, by such exchange or by any other regulatory body or governmental authority having jurisdiction, (ii) a banking moratorium shall have been declared by Federal or New York state authorities of the United States or by ROC authorities, (iii) the United States or the ROC shall have become engaged in hostilities, there shall have been an escalation in hostilities involving the United States or the ROC or there shall have been a declaration of a national emergency or war by the United States or the ROC, the effect of any such event on financial markets in the United States or the ROC shall be such as to make it, in the judgment of the Underwriters, impracticable or inadvisable to proceed with the public offering or delivery of the Shares being delivered on the Delivery Date on the terms and in the manner contemplated in the Prospectus, or (iv) there shall have occurred such a material adverse change in general domestic or international economic, political or financial conditions, including without limitation as a result of terrorist activities after the date hereof, (or the effect of international conditions on the financial markets in the United States or the ROC shall be such) as to make it, in the judgment of the Underwriters, impracticable or inadvisable to proceed with the public offering or delivery of the Shares being delivered on the Delivery Date on the terms and in the manner contemplated in the Prospectus.

(p) Each Selling Shareholder shall have furnished to the Underwriters a certificate, dated the Delivery Date, stating that:

(i) The representations and warranties of such Selling Shareholder contained in Section 1 hereof are true and correct as of the Delivery Date; and

(ii) Such Selling Shareholder has complied with all of the agreements and satisfied all of the conditions on its part to be performed or satisfied hereunder on or prior to such date.

(q) The Shares have been approved for quotation on the NASDAQ Capital Market.

All opinions, letters, evidence and certificates mentioned above or elsewhere in this Agreement shall be deemed to be in compliance with the provisions hereof only if they are in form and substance reasonably satisfactory to counsel for the Underwriters.

8. Conditions of the Obligations of the Company and the Selling Shareholders.

The obligations of the Selling Shareholders to sell and deliver the Shares required to be delivered as and when specified in this Agreement are subject to the conditions that at the Closing Date or the Option Closing Date, as the case may be, (i) no stop order suspending the effectiveness of the Registration Statement shall have been issued and in effect or proceedings therefor initiated or threatened, and (ii) the Underwriters have performed their covenants and obligations hereunder.

9. Indemnification and Contribution.

(a) The Company agrees to indemnify and hold harmless each Underwriter, its directors, officers, managers, members, employees, representatives and agents and each person, if any, who controls any Underwriter within the meaning of Section 15 of the Act or Section 20 of the Exchange Act (collectively the "**Underwriter Indemnified Parties**," and each an "**Underwriter Indemnified Party**"), from and against any losses, claims, damages or liabilities, joint or several, to which each such Underwriter Indemnified Party may become subject, under the Act or otherwise (including in settlement of any litigation if such settlement is effected with the written consent of the Company), insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon (i) an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, including any information deemed to be a part of the Registration Statement at the time of effectiveness and at any subsequent time pursuant to the rules and regulations adopted by the Commission, if applicable, any Preliminary Prospectus, the General Disclosure Package, the Prospectus, or any amendment or supplement thereto, any Issuer Free Writing Prospectus or in any materials or information provided to investors by, or with the approval of, the Company in connection with the marketing of the offering of the Common Shares ("**Marketing Materials**"), including any roadshow or investor presentations made to investors by the Company (whether in person or electronically), or (ii) the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein in light (other than in connection with the Registration Statement) of the circumstances under which they were made not misleading, and will reimburse each Underwriter Indemnified Party for any legal or other expenses reasonably incurred by it in connection with investigating or defending against such loss, claim, damage, liability or action as such expenses are incurred; provided, however, that the Company will not be liable in any such case to the extent that any such loss, claim, damage, liability or action arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in the Registration Statement, any Preliminary Prospectus, the General Disclosure Package, the Prospectus, or any such amendment or supplement, any Issuer Free Writing Prospectus or in any Marketing Materials, in reliance upon and in conformity with (x) written information furnished to the Company by the Underwriters specifically for use in the preparation thereof; it being understood and agreed that the only information furnished by the Underwriters consists of the information described as such in Section 15(a) and (y) written information furnished to the Company by the Selling Shareholders specifically for use in the preparation thereof; it being understood and agreed that the only information furnished by the Selling Shareholders consists of the information described as such in Section 15(b).

(b) Each Underwriter, severally and not jointly, will indemnify and hold harmless the Company and the Selling Shareholders from and against any losses, claims, damages or liabilities, joint or several, to which the Company may become subject, under the Act or otherwise (including in settlement of any litigation, if such settlement is effected with the written consent of the Underwriters), insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon (i) an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, any Preliminary Prospectus, the General Disclosure Package, the Prospectus, or any amendment or supplement thereto, or any Issuer Free Writing Prospectus or (ii) the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein in light (other than in connection with the Registration Statement) of the circumstances under which they were made not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement, any Preliminary Prospectus, the General Disclosure Package, the Prospectus, or any such amendment or supplement, or any Issuer Free Writing Prospectus in reliance upon and in conformity with written information furnished to the Company by the Underwriters specifically for use in the preparation thereof (it being understood and agreed that the only information furnished by the Underwriters consists of the information described as such in Section 15(a)), and will reimburse the Company for any legal or other expenses reasonably incurred by the Company in connection with investigating or defending against any such loss, claim, damage, liability or action as such expenses are incurred.

(c) Each of the Selling Shareholders agrees to, severally and not jointly, indemnify and hold harmless the Underwriter Indemnified Parties and the Company from and against any losses, claims, damages or liabilities, joint or several, to which any Underwriter Indemnified Party or the Company may become subject, under the Act or otherwise (including in settlement of any litigation if such settlement is effected with the written consent of the Selling Shareholders), insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon (i) an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, including any information deemed to be a part of the Registration Statement at the time of effectiveness and at any subsequent time pursuant to the rules and regulations adopted by the Commission, if applicable, any Preliminary Prospectus, the General Disclosure Package, the Prospectus, or any amendment or supplement thereto, any Issuer Free Writing Prospectus or in any Marketing Materials, including any roadshow or investor presentations made to investors by the Company (whether in person or electronically), or (ii) the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein in light (other than in connection with the Registration Statement) of the circumstances under which they were made not misleading, and will reimburse the Underwriter Indemnified Parties and the Company for any legal or other expenses reasonably incurred by each of them in connection with investigating or defending against such loss, claim, damage, liability or action as such expenses are incurred, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement, any preliminary Prospectus, the General Disclosure Package, the Prospectus, or any such amendment or supplement, any Issuer Free Writing Prospectus or in any Marketing Materials, in reliance upon and in conformity with any information provided by such Selling Shareholder; it being understood and agreed that the only information furnished by the Selling Shareholders consists of the information described as such in Section 15(b).

(d) Promptly after receipt by an indemnified party under subsection (a), (b) or (c) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve the indemnifying party from any liability that it may have to any indemnified party except to the extent such indemnifying party has been materially prejudiced by such failure (through the forfeiture of substantive rights or defenses). In case any such action shall be brought against any indemnified party, and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate in, and, to the extent that it shall wish, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party, and after notice from the indemnifying party to such indemnified party of the indemnifying party's election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation; provided, however, that an indemnified party shall have the right to employ a single separate counsel (in addition to local counsel) and participate in the defense of such action, in which event the reasonable fees and expenses of such separate counsel shall be borne by such indemnified party unless (i) the employment of such separate counsel has been specifically authorized in writing by the indemnifying party, (ii) such indemnified party shall have been advised by its counsel that there may be one or more legal defenses available to it which are different from or in addition to those available to the indemnifying party, or (iii) the indemnifying party has failed to assume the defense of such action and employ counsel reasonably satisfactory to the indemnified party within a reasonable period of time after notice of commencement of the action or the indemnifying party does not diligently defend the action after the assumption of the defense, in which case, if such indemnified party notifies the indemnifying party in writing that it elects to employ separate counsel at the expense of the indemnifying party, the indemnifying party shall not have the right to assume the defense of (or, in the case of a failure to diligently defend the action after assumption of the defense, to continue to defend) such action on behalf of such indemnified party, and the indemnifying party shall be responsible for legal or other expenses subsequently incurred by such indemnified party in connection with the defense of such action; provided however that the indemnifying party shall not, in connection with any such action or separate but substantially similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the reasonable fees of more than one separate firm of attorneys (in addition to local counsel). An indemnifying party shall not be obligated under any settlement agreement relating to any action under this Section 9 to which it has not agreed in writing. In addition, no indemnifying party shall, without the prior written consent of the indemnified party (which consent shall not be unreasonably withheld or delayed, effect any settlement of any pending or threatened proceeding unless such settlement includes an unconditional release of such indemnified party for all liability on claims that are the subject matter of such proceeding and does not include a statement as to, or an admission of, fault, culpability or a failure to act by or on behalf of an indemnified party.

(e) If the indemnification provided for in this Section 9 is unavailable or insufficient to hold harmless an indemnified party under subsection (a), (b) or (c) above, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of the losses, claims, damages or liabilities referred to in subsection (a), (b) or (c) above, (i) in such proportion as is appropriate to reflect the relative benefits received by the Company and the Selling Shareholders on the one hand and the Underwriters on the other from the offering of the Shares or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company and the Selling Shareholders on the one hand and the Underwriters on the other in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Company and the Selling Shareholders on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Selling Shareholders bear to the total underwriting discounts and commissions received by the Underwriters, in each case as set forth in the table on the cover page of the Prospectus. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company, the Selling Shareholders or the Underwriters and the parties' relevant intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Company, the Selling Shareholders and the Underwriters agree that it would not be just and equitable if contributions pursuant to this subsection (e) were to be determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to in the first sentence of this subsection (e). The amount paid by an indemnified party as a result of the losses, claims, damages or liabilities referred to in the first sentence of this subsection (e) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending against any action or claim which is the subject of this subsection (e). Notwithstanding the provisions of this subsection (e), each of the Underwriters shall not be required to contribute any amount in excess of the amount by which the total price at which the Shares underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages that such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations to contribute as provided in this Section 9 are several in proportion to their respective number of Shares purchased and not joint.

(f) The obligations of the Company and the Selling Shareholders under this Section 9 shall be in addition to any liability which the Company and the Selling Shareholders may otherwise have and shall extend, upon the same terms and conditions, to the Underwriter Indemnified Parties; and the obligations of the Underwriters under this Section 9 shall be in addition to any liability that the Underwriters may otherwise have and shall extend, upon the same terms and conditions, to each director of the Company and the Selling Shareholders (including any person who, with his consent, is named in the Registration Statement as about to become a director of the Company or the Selling Shareholders), to each officer of the Company who has signed the Registration Statement and to each person, if any, who controls the Company or the Selling Shareholders within the meaning of the Act.

(g) The indemnity and contribution provisions contained in this Section 9 and the representations, warranties and other statements of the Company and the Selling Shareholders contained in this Agreement shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by or on behalf of any Underwriter Indemnified Party, any Selling Shareholder or any person controlling any Selling Shareholder, or the Company, its officers or directors or any person controlling the Company and (iii) acceptance of and payment for any of the Shares.

10. **Substitution of Underwriters.** If any Underwriter or Underwriters shall default in its or their obligations to purchase Shares hereunder on the Delivery Date and the aggregate number of Shares which such defaulting Underwriter or Underwriters agreed but failed to purchase does not exceed ten percent (10%) of the total number of Shares to be purchased by all Underwriters on such Delivery Date, the other Underwriters shall be obligated severally, in proportion to their respective commitments set forth on Schedule I hereto, to purchase the Shares which such defaulting Underwriter or Underwriters agreed but failed to purchase on such Delivery Date. If any Underwriter or Underwriters shall so default and the aggregate number of Shares with respect to which such default or defaults occur is more than ten percent (10%) of the total number of Shares to be purchased by all Underwriters on such Delivery Date and arrangements satisfactory to the non-defaulting Underwriters and the Selling Shareholders for the purchase of such Shares by other persons are not made within forty eight (48) hours after such default, this Agreement shall terminate.

If the remaining Underwriters or substituted Underwriters are required hereby or agree to take up all or part of the Shares of a defaulting Underwriter or Underwriters on such Delivery Date as provided in this Section 10, (i) the Company and the Selling Shareholders shall have the right to postpone such Delivery Date for a period of not more than five (5) full business days in order that the Company and the Selling Shareholders may effect whatever changes may thereby be made necessary in the Registration Statement or the Prospectus, or in any other documents or arrangements, and the Company and the Selling Shareholders agree promptly to file any amendments to the Registration Statement or supplements to the Prospectus which may thereby be made necessary, and (ii) the respective numbers of Shares to be purchased by the remaining Underwriters or substituted Underwriters shall be taken as the basis of their underwriting obligation for all purposes of this Agreement. Nothing herein contained shall relieve any defaulting Underwriter of its liability to the Company, the Selling Shareholders or the other Underwriters for damages occasioned by its default hereunder. Any termination of this Agreement pursuant to this Section 10 shall be without liability on the part of any non-defaulting Underwriters or the Company or the Selling Shareholders, except as provided in Section 16, and provided that any such termination shall not relieve a defaulting Underwriter from liability for its default.

11. **Consent to Jurisdiction.**

Each party irrevocably agrees that any legal suit, action or proceeding arising out of or based upon this Agreement or the transactions contemplated hereby ("**Related Proceedings**") may be instituted in the federal courts of the United States of America located in the City of New York or the courts of the State of New York in each case located in the Borough of Manhattan in the City of New York (collectively, the "**Specified Courts**"), and irrevocably submits to the non-exclusive jurisdiction of such courts in any such suit, action or proceeding. The parties further agree that service of any process, summons, notice or document by mail to such party's address set forth above shall be effective service of process for any lawsuit, action or other proceeding brought in any such court. The parties hereby irrevocably and unconditionally waive any objection to the laying of venue of any lawsuit, action or other proceeding in the Specified Court, and hereby further irrevocably and unconditionally waive and agree not to plead or claim in any such court that any such lawsuit, action or other proceeding brought in any such court has been brought in an inconvenient forum. Each party not located in the United States hereby irrevocably appoints CT Corporation System, which currently maintains a New York City office at 111 Eighth Avenue, New York, New York 10011, United States of America, as its authorized agent (the "**Authorized Agent**") to receive service of process or other legal summons for purposes of any such action or proceeding that may be instituted in any state or federal court in the City and State of New York.

Re: ChipMOS TECHNOLOGIES (Bermuda) LTD.

Dear Sirs:

This agreement (this "**Agreement**") is being delivered to you in connection with the proposed Underwriting Agreement (the "**Underwriting Agreement**") by and among ChipMOS TECHNOLOGIES (Bermuda) LTD. (the "**Company**"), the selling shareholders identified therein (the "**Selling Shareholders**") and Cowen and Company, LLC and Craig-Hallum Capital Group LLC, as underwriters (collectively, the "**Underwriters**"), relating to the proposed public offering by the Selling Shareholders of the Company's common shares, par value U.S.\$0.04 per share (the "**Common Shares**").

In order to induce the Underwriters to enter into the Underwriting Agreement, and in light of the benefits that the offering of the Common Shares by the Selling Shareholders will confer upon the undersigned in its capacity as an officer, director or employee of the Company, and for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned agrees with each Underwriter that, during the period beginning on and including the date hereof through and including the date that is the 60th day after the date of the Underwriting Agreement (the "**Lock-Up Period**"), the undersigned will not, without the prior written consent of the Underwriters, directly or indirectly, (i) offer, sell, assign, transfer, pledge, contract to sell, or otherwise dispose of, or announce the intention to otherwise dispose of, any Common Shares (including, without limitation, Common Shares which may be deemed to be beneficially owned by the undersigned in accordance with the rules and regulations promulgated under the Securities Exchange Act of 1934, as the same may be amended or supplemented from time to time (the "**Exchange Act**") (such shares, the "**Beneficially Owned Shares**") or securities convertible into or exercisable or exchangeable for Common Shares, (ii) enter into any swap, hedge or similar agreement or arrangement that transfers in whole or in part, the economic risk of ownership of the Beneficially Owned Shares or securities convertible into or exercisable or exchangeable for Common Shares, whether now owned or hereafter acquired by the undersigned or with respect to which the undersigned has or hereafter acquires the power of disposition, or (iii) engage in any short selling of the Common Shares or securities convertible into or exercisable or exchangeable for Common Shares. If (i) the Company issues an earnings release or material news or a material event relating to the Company occurs during the last 17 days of the Lock-Up Period, or (ii) prior to the expiration of the Lock-Up Period, the Company announces that it will release earnings results during the 16-day period beginning on the last day of the Lock-Up Period, the Lock-Up Period shall be extended and the restrictions imposed by this Agreement shall continue to apply until the expiration of the 18-day period beginning on the issuance of the earnings release or the occurrence of the material news or material event. The undersigned hereby agrees that, prior to engaging in any transaction or taking any other action that is restricted under the terms of this Agreement during the period from the date hereof to and including the 34th day following the expiration of the initial Lock-Up Period, it will give notice thereof to the Company and will not consummate such transaction or take any such action unless it has received written confirmation from the Company that the Lock-Up Period (as such may have been extended pursuant to the terms of this Agreement) has expired.

The restrictions set forth in the immediately preceding paragraph shall not apply to (i) any transfers made by the undersigned (a) as a bona fide gift to any member of the immediate family (as defined below) of the undersigned or to a trust the beneficiaries of which are exclusively the undersigned or members of the undersigned's immediate family, (b) by will or intestate succession upon the death of the undersigned or (c) as a bona fide gift to a charity or educational institution, provided, however, that it shall be a condition to the transfer that, other than in the case of a bona fide gift to a charity or educational institution, the transferee executes and delivers to the Underwriters, not later than one business day prior to such transfer, a written agreement, in substantially the form of this Agreement (it being understood that any references to "immediate family" in the agreement executed by such transferee shall expressly refer only to the immediate family of the undersigned and not to the immediate family of the transferee) and otherwise satisfactory in form and substance to the Underwriters, (ii) transactions relating to Common Shares or other securities acquired in open market transactions after the completion of the proposed public offering, and (iii) the transfer of Common Shares or any securities convertible into Common Shares upon a vesting event of the Company's securities or upon the exercise of options or warrants to purchase the Company's securities, in each case on a "cashless" or "net exercise" basis or to cover tax withholding obligations of the undersigned in connection with such vesting or exercise, provided no filing under Section 16(a) of the Exchange Act reporting a disposition of shares of Common Stock shall be required or shall be voluntarily made in connection with such vesting or exercise. For purposes of this paragraph, "immediate family" shall mean a spouse, domestic partner, sibling, parent, stepparent, grandparent, child, stepchild, grandchild or other lineal descendant (including by adoption), father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law or sister-in-law of the undersigned.

The undersigned further agrees that (i) it will not, during the Lock-Up Period (as the same may be extended as described above), make any demand or request for or exercise any right with respect to the registration under the Securities Act of 1933, as amended, of any Common Shares or other Beneficially Owned Shares or any securities convertible into or exercisable or exchangeable for Common Shares or other Beneficially Owned Shares, and (ii) the Company may, with respect to any Common Shares or other Beneficially Owned Shares or any securities convertible into or exercisable or exchangeable for Common Shares or other Beneficially Owned Shares owned or held (of record or beneficially) by the undersigned, cause the transfer agent or other registrar to enter stop transfer instructions and implement stop transfer procedures with respect to such securities during the Lock-Up Period (as the same may be extended as described above).

The undersigned hereby represents and warrants that the undersigned has full power and authority to enter into this Agreement and that this Agreement has been duly executed and delivered by the undersigned and is a valid and binding agreement of the undersigned. This Agreement and all authority herein conferred are irrevocable and shall survive the death or incapacity of the undersigned and shall be binding upon the heirs, personal representatives, successors and assigns of the undersigned.

It is understood that, if (A) the Company and the Selling Shareholders notify the Underwriters that they do not intend to proceed with the proposed public offering or (B) the Underwriting Agreement (other than the provisions thereof which survive termination) shall terminate or be terminated prior to payment for and delivery of the Common Shares to be sold thereunder, this Agreement shall immediately be terminated and the undersigned shall be released from all obligations under this Agreement.

The undersigned acknowledges and agrees that whether or not any public offering of Common Shares actually occurs depends on a number of factors, including market conditions.

Very truly yours,

Opinion

Based upon and subject to the foregoing and subject to the reservations set out below, we are of the opinion that:

- (1) The Company is an exempted company incorporated with limited liability and existing under the laws of Bermuda. The Company possesses the capacity to sue and be sued in its own name.
- (2) Based on our review of the Share Register, the issued Shares of the Company have been validly issued, fully paid and are non-assessable.

Reservations

We have the following reservations:

- (a) We express no opinion as to any law other than Bermuda law and none of the opinions expressed herein relates to compliance with or matters governed by the laws of any jurisdiction except Bermuda.
- (b) Searches of the Register of Companies at the office of the Registrar of Companies and of the Supreme Court Causes Book at the Registry of the Supreme Court are not conclusive and it should be noted that the Register of Companies and the Supreme Court Causes Book do not reveal:
 - (i) details of matters which have been lodged for filing or registration which as a matter of best practice of the Registrar of Companies or the Registry of the Supreme Court would have or should have been disclosed on the public file, the Causes Book or the Judgment Book, as the case may be, but for whatever reason have not actually been filed or registered or are not disclosed or which, notwithstanding filing or registration, at the date and time the search is concluded are for whatever reason not disclosed or do not appear on the public file, the Causes Book or Judgment Book;

- (ii) details of matters which should have been lodged for filing or registration at the Registrar of Companies or the Registry of the Supreme Court but have not been lodged for filing or registration at the date the search is concluded;
- (iii) whether an application to the Supreme Court for a winding-up petition or for the appointment of a receiver or manager has been prepared but not yet been presented or has been presented but does not appear in the Causes Book at the date and time the search is concluded;
- (iv) whether any arbitration or administrative proceedings are pending or whether any proceedings are threatened, or whether any arbitrator has been appointed; or
- (v) whether a receiver or manager has been appointed privately pursuant to the provisions of a debenture or other security, unless notice of the fact has been entered in the Register of Charges in accordance with the provisions of the Companies Act 1981 of Bermuda (as amended).

Furthermore, in the absence of a statutorily defined system for the registration of charges created by companies incorporated outside Bermuda (“**overseas companies**”) over their assets located in Bermuda, it is not possible to determine definitively from searches of the Register of Charges maintained by the Registrar of Companies in respect of such overseas companies what charges have been registered over any of their assets located in Bermuda or whether any one charge has priority over any other charge over such assets.

- (c) In order to issue this opinion we have carried out the Company Search as referred to in the Schedule to this opinion and have not enquired as to whether there has been any change since the date of such search.
- (d) In order to issue this opinion we have carried out the Litigation Search as referred to in the Schedule to this opinion and have not enquired as to whether there has been any change since the date of such search.

- (e) With respect to this opinion, we have relied upon statements and representations made to us in the Certificate provided to us by an authorised officer of the Company for the purposes of this opinion. We have made no independent verification of the matters referred to in the Certificate, and we qualify such opinions to the extent that the statements or representations made in the Certificate are not accurate in any respect.
- (f) Any reference in this opinion to shares being “non-assessable” shall mean, in relation to fully-paid shares of the Company and subject to any contrary provision in any agreement in writing between the Company and the holder of such shares, that no holder of such shares shall be obliged to contribute further amounts to the capital of the Company, either in order to complete payment for their shares, to satisfy claims of creditors of the Company, or otherwise; and no holder of such shares shall be bound by an alteration of the Memorandum of Association or Bye-Laws of the Company after the date on which he/she/it became a shareholder, if and so far as the alteration requires him/her/it to take, or subscribe for, additional shares, or in any way increases his/her/its liability to contribute to the share capital of, or otherwise to pay money to, the Company.

This opinion speaks as of its date and is strictly limited to the matters stated herein and we assume no obligation to review or update this opinion if applicable law or the existing facts or circumstances should change.

This opinion is governed by and is to be construed in accordance with Bermuda law. It is given on the basis that it will not give rise to any legal proceedings with respect thereto in any jurisdiction other than Bermuda.
