**Hsinchu, Taiwan, August 28, 2008** – ChipMOS TECHNOLOGIES (Bermuda) LTD. (“ChipMOS” or the “Company”) (Nasdaq: IMOS) announced today that its consolidated subsidiary, MODERN MIND TECHNOLOGY LIMITED, has completed the US\$130 million investment commitment to ChipMOS TECHNOLOGIES (Shanghai) LTD. (“ChipMOS Shanghai”) with the injection of remaining US\$7.5 million registered capital in early August. ChipMOS Shanghai has received its new business license after government’s approval of the capital verification report.

Initially, US\$250 million of registered capital for ChipMOS Shanghai was committed by the Company. The Company sought approval for reduction of registered capital to US\$130 million and such approval was granted by the Shanghai Foreign Investment Commission in July, 2008. The Company does not believe that the reduction will adversely affect planned operations of ChipMOS Shanghai. The reduction of the investment commitment and the completion of the investment mean that ChipMOS will not be required to make an additional US\$120 million investment prior to December 7, 2008.
