Title: Chairman & Director/President

**ChipMOS Corrects Error Made by Agent in Its Filing in Taiwan of “Overseas Chinese
and Foreign Investment and Shareholdings”**

Hsinchu, Taiwan, November 7th, 2016 — On November 1, 2016, ChipMOS TECHNOLOGIES INC. (“ChipMOS”) issued American Depositary Receipts (the “ADRs”) representing 512,405,340 common shares of ChipMOS. On November 4, 2016, the certificates of entitlement of such underlying shares were listed on the Taiwan Stock Exchange (“TSE”). Pursuant to the applicable TSE regulations, ChipMOS appointed shareholder services agent, KGI Securities Department of Shareholder Services (the “Agent”), to file a form for “Overseas Chinese and foreign investment and shareholdings” two business days prior to the listing. The Agent mistyped the account code in such filing as BB (Trust funds offered overseas by Securities investment trust enterprises), which would result in overstating the foreign investors’ ownership percentage of ChipMOS. On November 7, 2016, ChipMOS corrected the account code error made by the Agent to DD (Entitled shares of global depository receipts publicly or privately offered by public companies (including new and old shares)) and made a public announcement in Taiwan regarding such correction.
