

## ChipMOS's SHAREHOLDERS APPROVE REVERSE STOCK SPLIT

Hsinchu, Taiwan, January 21, 2011 -- ChipMOS TECHNOLOGIES (Bermuda) LTD. ("ChipMOS" or the "Company") (Nasdaq: IMOS) today announced its shareholders' approval to effect the reverse stock split of ChipMOS's common stock with a ratio of 1-for-every-4 shares.

ChipMOS's shareholders approved the reverse stock split at the special general meeting of shareholders held today, making the reverse stock split effective on January 21, 2011, as previously authorized by the Company's board of directors. As a result, the number of outstanding shares of ChipMOS common stock is reduced to approximately 27.7 million shares, from approximately 110.9 million shares prior to the reverse stock split becoming effective.

Trading on the NASDAQ of the split-adjusted shares of the Company's common stock will begin on January 24, 2011. The shares will continue to trade under the symbol "IMOS," with a "D" added to indicate the reverse stock split for 20 trading days. As a result of the reverse stock split a new CUSIP number has been assigned to the Company's common stock.

The Company will not issue fractional shares in connection with the reverse stock split. Shareholders who otherwise would be entitled to receive fractional shares because they hold a number of shares not evenly divisible by four will receive a cash payment (without interest) in lieu of any fractional shares. BNY Mellon, the Company's transfer agent, is serving as the Company's Exchange Agent in connection with the reverse stock split.

Mr. S.J. Cheng, Chairman and Chief Executive Officer of ChipMOS noted, "We appreciate our shareholders' support for the reverse stock split. With our financial restructuring, improved balance sheet, strategic capacity increase and customer diversification, ChipMOS believes that is in a strong position to pursue the growth opportunities in front of us. We anticipate that the additional step of implementing a reverse stock split could serve to improve the marketability and liquidity of ChipMOS common stock in order for the valuation to better reflect our business fundamentals and prospects for continued success."
